Standard Policy Terms & Conditions

1. Details of the Bond

1.1 The Bond

1.1.1 On the Commencement Date IOMA Life shall:-

- a) establish the Bond; and
- b) credit any cash Premium to the Cash Account and appropriately credit to the Bond any Premium paid In Specie.

1.1.2 Premiums may be paid in cash or In Specie in accordance with paragraph 2.12.

1.1.3 Although the benefits payable under each Policy are based on the value of the Bond, the Assets allocated to the Bond shall at all times form part of the Long Term Business Fund of IOMA Life and shall accordingly be legally and beneficially owned by IOMA Life. Such Assets shall be held in the name of IOMA Life or of a custodian or nominee appointed by IOMA Life.

1.1.4 All income and capital arising from the Assets allocated to the Bond shall be credited to the Bond.

1.1.5 For the avoidance of doubt, IOMA Life may borrow money in connection with the Bond and may use the Assets allocated to the Bond as security. The liability in respect of any monies borrowed in connection with the Bond shall be allocated to the Bond but shall, at all times, form part of the general liabilities of IOMA Life.

1.1.6 In the event of a change of ownership of IOMA Life the Policyholder(s) will have no right to assert that any change to the Policy Provisions has occurred due to such event.

1.2 Investment Manager

1.2.1 The Policyholder(s) may at any time request in writing to IOMA Life the appointment of an Investment Manager to advise IOMA Life on or to determine the composition of the Bond in full or in part, consent to which shall not unreasonably be withheld by IOMA Life. Following such an appointment the Policyholder(s) may request in writing at any time for the replacement of any Investment Manager in such form as IOMA Life may determine from time to time. The Terms and Conditions of the appointment of any Investment Manager shall be subject to the detailed provisions of an agreement entered into by the Policyholder(s), IOMA Life and the Investment Manager and subject to the Policy Provisions.

1.2.2 It shall be a condition of the appointment of the Investment Manager that the Investment Manager undertakes to maintain such authorisations and licences (if any) as are necessary to enable the Investment Manager to provide the services referred to in paragraph 1.2.1 above under the legislation of the country in which such services are provided.

1.3 Asset Allocation

1.3.1 The composition of the Bond will be determined by the Policyholder(s) or Investment Manager giving valid instructions to IOMA Life in accordance with paragraph 3.1.3 below subject to:-

- a) paragraph 1.3.6 below; and
- b) any limits or restrictions imposed by IOMA Life regarding:-
 - (i) the minimum size of any holding of Assets allocated to the Portfolio; and
 - (ii) the balance in the Cash Account.

- 1.3.2 The Policyholder(s) or Investment Manager may only recommend purchases of Assets which are included on the permitted investments list maintained by IOMA Life. Investments allocated to the Bond may only be in IOMA Life's internal fund range or in external Assets via a Wealth Partner made available through the Bond. IOMA Life is not responsible or liable to the Policyholder(s) for and shall not (1) provide investment, pension or tax advice; (2) assess the suitability of Assets held in the Bond according to the Policyholder's financial circumstances; and (3) conduct due diligence checks on any Assets.

In determining the permitted investments for Asset Allocation the Policyholder(s) or Investment Manager must ensure the Assets allocated to the Bond comply with Regulation 4 of the United Kingdom Personal Portfolio Bonds (Tax) Regulations 1999 and not to give instructions which would cause the Portfolio to include investments in assets that would make the Bond a "personal portfolio bond" as defined in those Regulations.

- 1.3.3 On receiving a valid request from the Policyholder(s) or Investment Manager made in accordance with paragraph 3.1.3 below to change the composition of the Portfolio, IOMA Life will normally process the request:-

- a) on the first day on which IOMA Life is open for business after IOMA Life has received the request;
- b) if the request is to purchase an Asset, on the date on which a sufficient amount of cash has been cleared in IOMA Life's bank account and credited to the Cash Account (or, if that is not practicable, on the first day on which IOMA Life is open for business after such date); or
- c) on an alternative date selected by the Policyholder(s) or Investment Manager and acceptable to IOMA Life;

Notwithstanding the above, IOMA Life reserves the right to delay the processing of a request to change the Portfolio's composition if:-

- (i) IOMA Life cannot readily deal in the appropriate Assets to the value of the request on the processing date as previously described; or
- (ii) it is not reasonably practicable for IOMA Life to process the request on that date due to circumstances beyond IOMA Life's control;

In such circumstances IOMA Life will normally process the request on the first day on which it becomes reasonably practicable for the transaction to be executed after the end of the period of delay. If the Bond is invested in a property investment or a fund which holds a property, IOMA Life shall have the right to delay processing a request or instruction to switch out of the fund or pay any withdrawal or encashment for up to six (6) months if IOMA Life consider this is necessary to protect other Policyholders' interests.

- 1.3.4 Subject to paragraph 1.3.1 above, IOMA Life will process a valid request from the Policyholder(s) or Investment Manager made in accordance with paragraph 3.1.3 below to purchase to a total value specified by the Policyholder(s) or Investment Manager an Asset for allocation to the Portfolio by:-

- a) purchasing the appropriate Assets to the total value specified by the Investment Manager at the prices readily available to IOMA Life at the time of the purchase; and then
- b) debiting the Cash Account on the due date for settlement of the transaction with the purchase price, together with all expenses, taxes, duties and charges in connection with the purchase.

For the avoidance of doubt, any Assets purchased following a valid request from the Policyholder(s) or Investment Manager pursuant to this paragraph 1.3.4 will be purchased at not more than the open market buying price.

- 1.3.5 Subject to paragraph 1.3.1 above, IOMA Life will process a valid request from the Policyholder(s) or Investment Manager made in accordance with paragraph 3.1.3 below to sell to a total value specified by the Policyholder(s) or Investment Manager an Asset allocated to the Portfolio by:-
- a) selling the appropriate Assets to the total value specified by the Policyholder(s) or Investment Manager at the prices readily available to IOMA Life at the time of the sale; and then
 - b) crediting the Cash Account on the due date for settlement of the transaction with the sale proceeds, net of all expenses, taxes, duties and charges in connection with the sale.

1.3.6 Notwithstanding any other term or condition in the Policy Provisions, IOMA Life has the right, at all times:-

- a) to determine the suitability of Assets for allocation to the Portfolio;
- b) to refuse a request from the Policyholder(s) or Investment Manager to sell or realise in any other manner any Asset allocated to the Portfolio which IOMA Life considers is not readily realisable;
- c) to refuse a request from the Policyholder(s) or Investment Manager to buy any Asset which IOMA Life considers to be unsuitable for allocation to the Portfolio; and
- d) to sell or realise in any other manner (including liquidation) any Asset allocated to the Portfolio which IOMA Life considers is, or has become, unsuitable for allocation to the Bond.

In exercising its rights under this paragraph 1.3(5), IOMA Life will take into account, inter alia:-

- (i) any current or proposed legal, regulatory or other official requirements applicable to IOMA Life, to any Policy comprising the Bond or to the Policyholder(s);
- (ii) whether the relevant Asset has become valueless or is, directly or indirectly, contrary to IOMA Life's normal investment philosophy or is an investment, directly or indirectly, in a company whose activities are regarded by IOMA Life as being illegal, unethical or of a nature that may be of detriment to IOMA Life's reputation; and
- (iii) the need to make the administration of the Bond reasonably practicable and profitable.

IOMA Life will not incur any liability as a result of exercising its rights under this paragraph 1.3.6, nor will IOMA Life be required to explain the basis on which it has exercised such rights. If IOMA Life refuses a request in accordance with sub-paragraph (b) above or wishes to exercise its rights in accordance with sub-paragraph (d) above in relation to any Asset allocated to the Bond which IOMA Life considers is not readily realisable, IOMA Life may, in its sole discretion, deem the Policyholder(s) to have requested the encashment of the whole of the Bond in accordance with paragraph 2.7 below.

1.3.7 All transactions relating to Assets allocated, or to be allocated, to the Portfolio will be effected by IOMA Life or any agent IOMA Life may agree to nominate from time to time to perform such a function.

1.3.8 The Policyholder(s) will indemnify and keep indemnified IOMA Life in respect of all costs, losses, claims, liabilities, demands judgments and proceedings of whatever nature incurred by it as a result of any Asset allocation or sale made pursuant to paragraphs 1.3.1, 1.3.3, 1.3.4 or 1.3.5 above.

1.4 The Cash Account

1.4.1 Unless specifically agreed to the contrary, the Cash Account shall be established in the currency in which the Bond is denominated.

- 1.4.2 After the Commencement Date, the Cash Account, which will be maintained by IOMA Life as an Asset or liability (as appropriate) of the Bond, will normally only be used:-
- (i) To hold cash;
 - (ii) to debit the costs of purchasing Assets for allocation to the Bond, including all expenses, taxes, duties and charges in connection with such purchase unless those costs have been levied within the purchase transaction;
 - (iii) to credit the proceeds of sales of Assets allocated to the Bond, net of all expenses, taxes, duties and charges in connection with such sales unless those costs have been levied within the sale transaction;
 - (iv) to credit the income received from Assets allocated to the Bond (unless the income is automatically re-invested in the relevant Assets);
 - (v) to pay all amount due to the Policyholder(s) in terms of paragraphs 2.5 (Withdrawals of Capital), 2.6 (Partial Encashment), 2.7 (Total Encashment) and 2.8 (Death Benefit) below;
 - (vi) subject to paragraph 1.6.4, to deduct all fees, charges and other expenses payable in connection with the Portfolio and the Bond in accordance with paragraphs 1.4 (Cash Account), 1.5 (Valuations), 2.2 (the Annual Management Charge), 2.3 (the Investment Manager's Charge), 2.4 (Adviser Charge Deductions), 2.7 (Total Encashment), 2.8 (Death Benefit), 3.1 (Administration of the Bond) and 3.2 (Permitted Deductions) below; and
 - (vii) to credit any interest added, and debit any interest charged, to the Cash Account in accordance with paragraph 1.5.4 below.
- 1.4.3 Unless IOMA Life otherwise, in its absolute discretion, permits, the Cash Account must be kept in credit to such minimum amount as IOMA Life may specify from time to time. IOMA Life may, at its discretion, sell Assets allocated to the Bond for the purpose of placing the Cash Account in credit to the relevant minimum amount and, in doing so, IOMA Life may take into account any accrued or prospective fees and charges payable in connection with the Bond and the Policies in accordance with paragraphs 1.4 (Cash Account), 1.5 (Valuations), 2.2 (the Annual Management Charge), 2.3 (the Investment Manager's Charge), 2.4 (Adviser Charge Deductions), 2.7 (Total Encashment), 2.8 (Death Benefit), 3.1 (Administration of the Bond) and 3.2 (Permitted Deductions) below. IOMA Life will sell Assets from the Portfolio in the following order to realise sufficient Assets to place the Cash Account in credit to the relevant minimum amount: firstly, cash or deposits and, secondly, the largest holding of those pooled funds which are realisable on seven or fewer days' notice. If the Cash Account is overdrawn at any time, IOMA Life may in its sole discretion, without prejudice to any other right or remedy, deem the Policyholder(s) to have requested the encashment of the whole of the Bond in accordance with paragraph 2.7 below.
- 1.4.4 IOMA Life will accrue interest on a daily basis, which will then be applied quarterly, to the Cash Account when it is in credit at such rates as IOMA Life may fix from time to time, details of which are available by writing to IOMA Life at its Head Office.

1.5 Valuations

1.5.1 On each Valuation Date IOMA Life will calculate the value of the Bond in the currency in which the Bond is denominated in accordance with the Valuation Policy, unless otherwise notified by IOMA Life. In calculating the value of the Bond, the following will be taken into account:-

- a) the value of the Assets allocated to the Bond (including the balance in the Cash Account);
- b) all monies borrowed in connection with the Bond;
- c) any income which has accrued on the Assets allocated to the Bond;
- d) any accrued or prospective fees and charges payable in connection with the Bond and the Policies in accordance with this paragraph 1.5 (Valuations) and paragraphs 1.7 (Bond Deductions), 2.2 (the Annual Management Charge), 2.3 (the Investment Manager's Charge), 2.4 (Adviser Charge Deductions), 2.8 (the Encashment Penalties), 3.1 (Administration of the Bond) and 3.2 (Permitted Deductions) below; and
- e) any provision for expenses, taxes, duties, charges and other liabilities for which the Bond (or, to the extent attributable to the Bond, IOMA Life) is, or may become liable.

1.5.2 For the purpose of calculating the value of the Assets allocated to the Bond:-

- a) units or shares in funds of pooled Assets will be valued at their most recent closing mid prices available to IOMA Life on the relevant Valuation Date (as quoted by any relevant medium, Wealth Partner or the Investment Manager of the relevant fund, selected by IOMA Life);
- b) any other Assets will be valued at the price at which IOMA Life estimates they might be sold on the relevant Valuation Date (taking into account, where there are any published valuations or prices for such Assets, any subsequent changes in the relevant market, any current restrictions or difficulties in trading in such Assets and any other circumstances likely to affect such valuations or prices) and IOMA Life shall be entitled to obtain such advice as it shall consider it necessary or desirable in order to determine the market values of such Assets.

1.5.3 If any of the Assets or liabilities allocated to the Bond are valued in a currency other than that in which the Bond is denominated, their values will be converted into the denominated currency at appropriate exchange rate(s) selected by IOMA Life.

1.5.4 IOMA Life will undertake an ad hoc valuation of the Bond on a date which is not a Valuation Date on receiving a valid request for such a valuation from the Policyholder(s) in accordance with paragraph 3.1.3 below. IOMA Life reserves the right to deduct from the Cash Account a charge for providing an ad hoc valuation, such charge not exceeding £100 per valuation.

1.5.5 In the event that IOMA Life does not receive any valuation from a third party, including without limitation an Investment Manager, within 6 months of the due date, IOMA Life may, in its sole discretion, without prejudice to any other right or remedy, deem the Policyholder(s) to have requested the encashment of the whole of the Bond in accordance with paragraph 2.7 below.

1.6 Fund Suspensions

If a fund is suspended, certain restrictions will apply until the suspension is lifted:

- 1.6.1 during the suspension period, the Policyholder(s) will not be able to withdraw units or shares in suspended funds or switch into or out of suspended funds, unless the fund manager permits;
- 1.6.2 contributions into suspended funds until the suspension is lifted will be held in the Cash Account;
- 1.6.3 valuations of units or shares in suspended funds will not include the value of the suspended funds and may include them at nil value if there are no valuations available;

1.6.4 IOMA Life will not deduct charges and fees from suspended funds but reserves the right to levy any charges and fees retrospectively when the suspension is lifted.

1.7 Bond Deductions

1.7.1 IOMA Life may debit to the Cash Account an amount which it considers to be appropriate to take account of:-

- a) any expenses, taxes, duties, charges and other liabilities (including the costs of any currency conversion) that may arise in connection with the purchase, management, maintenance, custody, valuation and sale of any Assets allocated, or to be allocated, to the Bond (including any costs incurred in contemplation of a sale of any Assets allocated to the Bond, which sale fails, for any reason whatsoever, to be completed); and
- b) interest on, and the repayment of, any monies borrowed in connection with the Bond.

1.7.2 IOMA Life may credit to the Cash Account an amount which it considers to be appropriate to take account of the receipt of any income attributable to those Assets allocated to the Bond.

1.7.3 In the event that any amount described in paragraph 1.7.1 (a) cannot be paid from the Cash Account due to the lack of funds or sufficiency of Assets that can be sold in accordance with paragraph 1.4.3, IOMA Life may, in its sole discretion, without prejudice to any other right or remedy, deem the Policyholder(s) to have requested the encashment of the whole of the Bond in accordance with paragraph 2.7 below.

1.8. Policyholder(s)

In the event that the Policyholder(s) changes domicile or citizenship, the Policyholder(s) must notify IOMA Life as promptly as reasonably practicable but no later than three (3) months after the relevant event. In the event that no notification is made to IOMA Life or it is received by IOMA Life after three (3) months after the relevant event or if the Policyholder(s) moves domicile or citizenship to a jurisdiction on IOMA Life's sensitive country list, IOMA Life may, in its sole discretion, deem the Policyholder(s) to have requested IOMA Life to encash the whole of the Bond in accordance with paragraph 2.7 below and proceed to do so without further notice to the Policyholder(s). The Policyholder(s) must provide details of the ultimate beneficial owner of the Bond promptly after request from IOMA Life, failing which IOMA Life may, in its sole discretion, deem the Policyholder(s) to have requested IOMA Life to encash the whole of the Bond in accordance with paragraph 2.7 below and proceed to do so without further notice to the Policyholder(s).

2 Details of the Policies

2.1 The Initial Charge

The Initial Charge shall be payable at the rate specified in the Key Features Document or Policy Schedule and shall be deducted from the Initial Premium.

2.2 The Annual Management Charge

The Annual Management Charge shall be payable at the rate specified in the Key Features Document or Policy Schedule and shall be deducted from the Cash Account on each Payment Date or the next day after that date on which IOMA Life is open for business. In the event that the Cash Account is not in credit to such amount required to pay any Annual Management Charge due and owing, paragraph 1.4.3 shall apply.

2.3 The Investment Manager's Charge

The Investment Manager's charge is a fee payable to the Investment Manager which shall be charged at such rate as may be agreed between the Policyholder(s) and the Investment Manager from time to time. The Investment Manager's charge shall be deducted quarterly in arrears from the Cash Account on each Payment Date (or at such other intervals and on such other dates as IOMA Life and the Investment Manager may agree).

2.4 Adviser Charge Deductions

Where the Policyholder(s) has asked the Company to pay an Adviser Charge to a professional adviser, the appropriate amount may be deducted from the Cash Account on each Payment Date or the next day after that date on which IOMA Life is open for business. In the event that the Cash Account is not in credit to such amount required to pay any Adviser Charge due and owing, paragraph 1.4.3 shall apply.

2.5 Withdrawals of Capital

2.5.1 The Policyholder(s) may request withdrawals from the Bond at such intervals as IOMA Life may permit, subject to the request being made in accordance with paragraph 3.1.3 below. Such withdrawals may be either:-

- a) a fixed amount; or
- b) a percentage of the value of the Bond on the immediately preceding Valuation Date.

2.5.2 Any regular withdrawals from the Bond shall be:-

- a) subject to any minimum or maximum levels of payment permitted by IOMA Life;
- b) after deduction of any encashment penalty referred to in paragraph 2.9 below; and
- c) paid in such manner as IOMA Life may specify or otherwise agree with the Policyholder(s).

2.5.3 To pay for each regular withdrawal, IOMA Life shall deduct the amount due from the Cash Account.

2.5.4 Regular payments shall cease:-

- a) automatically if the payment of a regular withdrawal would result in the value of the Bond being less than the minimum value of the Bond permitted by IOMA Life; or
- b) at the discretion of IOMA Life if the payment of a regular withdrawal would result in the amount by which the Cash Account is in credit being less than the minimum amount referred to in paragraph 1.4 above and there are insufficient Assets allocated to the Portfolio which IOMA Life considers are readily realisable for the purpose of placing the Cash Account in credit to such relevant minimum amount in accordance with paragraph 1.4 above.

2.6 Partial Encashment

2.6.1 The Policyholder(s) may request IOMA Life to encash part of the Bond by encashing a portion of each Policy, subject to any minimum or maximum levels of payment permitted by IOMA Life from time to time and the request being made in accordance with paragraph 3.1.3. Where such a request is made, the amount of the payment requested shall automatically be applied equally to each of the Policies remaining at the date of withdrawal. For the avoidance of doubt, this means that the effect on each Policy will be the value of the payment divided by the existing number of Policies remaining in the Bond. Alternatively, the Policyholder(s) may request the encashment of one or more individual Policies. The Policyholder(s) will be required to encash the whole of the Bond if the value of the Bond would, on payment of the Partial Encashment, be less than the minimum value of the Bond permitted by IOMA Life (in which event IOMA Life may, in its sole discretion, deem the Policyholder(s) to have requested IOMA Life to encash the whole of the Bond in accordance with paragraph 2.7 below).

- 2.6.2 The amount due in respect of any Partial Encashment will be paid to the Policyholder(s) from the amount by which the Cash Account is in credit in excess of the minimum amount referred to in paragraph 1.4 and after deduction of the Encashment Penalty referred to in paragraph 2.9 below. If, however, such excess amount is insufficient to meet the payment and subject to paragraph 2.6.4 below, IOMA Life:-
- a) will request the Policyholder(s) or Investment Manager for instructions as to which Assets allocated to the Portfolio should be sold to finance the Partial Encashment;
 - b) delay payment of the Partial Encashment until it has received such instructions, although IOMA Life may, in the event that no such instructions are received within thirty (30) days of its request for them, select, normally from the largest individual holding which IOMA Life considers are readily realisable, the Assets allocated to the Portfolio to be sold;
 - c) sell the relevant Assets and transfer the sale proceeds, net of all expenses, taxes, duties and charges in connection with the sale, to the Cash Account; and thereafter
 - d) pay the amount due in respect of the Partial Encashment after deduction of the Encashment Penalty referred to in paragraph 2.9 below.
- 2.6.3 Where it is necessary for IOMA Life to sell any Assets allocated to the Bond to finance the payment of a Partial Encashment, IOMA Life reserves the right to delay making that payment until the date on which a sufficient amount of cash has been cleared in IOMA Life's bank account and credited to the Cash Account (or, if that is not practicable, on the first day on which IOMA Life is open for business after such date). In addition, IOMA Life reserves the right to delay processing a request to encash part of the Bond in accordance with paragraph 2.6.2 above.
- 2.6.4 Notwithstanding paragraphs 2.6.2 and 2.6.3 above, IOMA Life shall not, for the purpose of financing any Partial Encashment, be obliged to procure the sale or realisation in any other manner of any Assets allocated to the Bond which it considers are not readily realisable and, if it would be necessary to sell or realise in any other manner any such Assets for the purpose of financing all or any part of a Partial Encashment, IOMA Life may, in its sole discretion, deem the Policyholder(s) to have requested IOMA Life to encash the whole of the Bond in accordance with paragraph 2.7 and 2.12 below.
- 2.6.5 Upon Partial Encashment, the Policyholder(s) shall deliver the appropriate Policy Schedule(s) as requested by IOMA Life for cancellation.

2.7 Total Encashment

- 2.7.1 On receipt of a valid request by the Policyholder(s) to encash the whole of the Bond made in accordance with paragraph 3.1.3 below (or deemed to have been made pursuant to paragraph 1.3.6, 1.4.3, 1.5.4, 1.7.3, 1.8, 2.6.1 or 2.6.4 above, IOMA Life will:-
- a) terminate the Policies;
 - b) cancel any existing arrangements for the payment of regular withdrawals in accordance with paragraph 2.5 above;
 - c) subject to paragraph 2.12, sell any non-cash Assets allocated to the Bond, provided that, notwithstanding any other term or condition in the Policy Provisions, IOMA Life shall not be obliged to procure the sale of any Assets allocated to the Bond which it considers are not readily realisable and, accordingly, IOMA Life reserves the right, in its sole discretion, to transfer any such Assets to the Policyholder(s) in satisfaction of all or part of the total encashment amount;
 - d) credit the sale proceeds, net of all expenses, taxes, duties and charges in connection with any such sale, to the Cash Account; and

- e) calculate the final value of the Bond in accordance with paragraph 1.5 above.

2.7.2 IOMA Life will pay (or subject to paragraph 2.12, transfer, in the case of any non-cash Assets which IOMA Life decides to transfer as mentioned in sub-paragraph 2.7.1(c) above) to the Policyholder(s) an amount equal to the final value of the Bond less:-

- a) The Encashment Penalty referred to in paragraphs 2.9 below;
- b) any expenses, taxes, duties and charges incurred by IOMA Life in connection with the transfer of any non-cash Assets; and
